PVT Provides 2,000th Meal to Wai‘anae Coast

A QUICK LOOK AT THE YEARS THAT JUST WENT BY

2020. Is it over yet? As years go, this one has seemed to last a decade. And we're barely in October. One bright spot has been how the people of the Wai‘anae Coast have pulled together to care for one another in these difficult times. As is often the case, the worst of times brings out the best in people.

This month, PVT looks back at what was going on during and around the month of October this year and in years past.

2015 Cleaning Up Nānākuli Beach Park

In 2015, the Nānākuli High School girls' JV softball and boys' JV football teams, coaches, family, and friends spent a morning cleaning up Nānākuli Beach Park and washing cars to raise money to support school events. PVT supported the effort with plenty of food, drinks, and waste disposal.

GREAT TEAMWORK — *About 75 Nānākuli High School students and others cleaned up Nānākuli Beach Park.*

2016 Nānākuli Football Gets A Study Hall

In 2016, the Nānākuli football team finally got its study hall—a restored portable classroom—thanks to the efforts of former Rep. Andria Tupola, who worked to bring together companies to support the project. PVT contributed roofing and other materials. NHIS graduate Kawika Lonoaea built the wooden steps as part of an Eagle Scout project.

HOME SWEET HOMEROOM — *NHIS football coaches and supporters circa 2016 assemble in front of the team's new study hall. From bottom left: Kalama Marfil, Abe Nahulu, Jimmy Afamasaga, Rep. Andria Tupola, Coach Keala Watson, and PVT's Ben Yamamoto. Up top: Wes Pacheco, Nick Griffin, Keahi Watson, Aaron Kaapuni, Devin Takahashi and Trevis Kapua.*

2017 Helping Kalaeloa Heritage Park Preserve the Past

In 2017, PVT helped to support Kalaeloa Heritage Park, a 77-acre parcel of the former Barbers Point Naval Air Station. Known as Kualaka‘i in ancient times, it contains more than 177 archaeological features including house sites and stone shrines considered to have been places of personal or communal prayer.

PRESERVING THE PAST — *The Kalaeloa Heritage Park contains more than 177 relatively undisturbed archaeological features.*

2018 Leeward Kai Canoe Club competes in Na Wahine O Ke Kai

In 2018, Leeward Kai Canoe Club competed for the first time in the Na Wahine O Ke Kai women's long distance outrigger canoe race, sending a crew of 16- to 19-year-old women mostly from Nānākuli and Wai‘anae to participate in the junior division of the 40th anniversary of the race. PVT was proud to support the club in this effort.

WESTSIDE PADDLERS — *The Leeward Kai Canoe Club made its first appearance ever in the Na Wahine O Ke Kai women's long distance outrigger canoe race.*

2019 Support for the Blood Bank

The PVT ‘ohana gathered once again to contribute to the Hawaii Blood Bank. Sixty percent of people need blood in their lifetime but only two percent donate. The Blood Bank needs about 7,000 new first-time donors and its loyal regular donors to meet the yearly needs of Hawai‘i's patients.

PVT employees came out to support the Hawaii Blood Bank on September 28, 2019.

2020 2,000 Meals for the Wai‘anae Coast

In September, PVT surpassed 2,000 hot meals delivered to residents of Mā‘ili Land Transitional Housing, Hale Makana o Nānākuli low-income housing, the Wai‘anae Valley Homestead Association, and others. Meals were paid for by PVT and delivered by PVT employees and members of the community. The Wai‘anae Coast Community Foundation organized many of the events.

MAN ON A MISSION — *Diamond Garcia's commitment to the community was evidenced by his regular participation in the ongoing food delivery program.*
