## PVT reaches 4,000-meal distribution milestone

PVT surpassed 4,000 hot meals delivered on the Waiʻanae Coast with a December 19 drive-through for the families of Nānākuli, Nanaikapono, Leihoku, and Māʻili elementary schools.

One thousand bento lunches from Mamaya Kapolei and Waiʻanae's Tamura Super Market were distributed at PVT and Māʻili Beach Park. The Waianae community was also invited to drive through the Māʻili location.

PVT outreach efforts began in May 2020 with meals to Māʻili Land Transitional Housing, Hale Makana o Nānākuli low-income housing, and residents of a homeless encampment near Lualualei Road. Those areas were served again in September.

That was followed by meals provided at Kaupuni Neighborhood Park to residents of the Waiʻanae Valley Homestead Association and an earlier drive-through at PVT for families of students at Nānākuli Elementary School.
