ALOHA E KOMO MAI!

PVT LAND COMPANY

After one year of COVID, a reminder of the way we were.

For many years it has been our privilege to support schools, community organizations, and athletics on the Waiʻanae Coast.

Along the way, we've come to know thousands of people — students, teachers, community leaders, and everyday citizens — who truly represent the best of us.

Today, COVID-19 continues to occupy our thoughts. It has been a year since it began its march across our islands. We grieve the loss of more than 400 souls. But today, with the arrival of vaccines and by practicing basic safety protocols, we're seeing a glimpse of light at the end of the tunnel. The day will come when we return to familiar ways.

For our part, PVT will continue to support our schools and community. We will also contribute to Hawaiʻi's economic recovery through the services we provide to Oʻahu's construction and trucking industries.

While we're still living in uncertain times, we're certain that by supporting one another there will be better days ahead.
