

PVT sponsors lunch distribution at NHIS

More than a dozen PVT employees turned out Saturday, March 6 to distribute about 500 lunches to members of the Nānākuli community.

The event — held in the Nānākuli High and Intermediate School parking lot — was organized by PVT and the NHIS Parent-Community Networking Center (PCNC), which promoted the event through social media. The PCNC works to create partnerships among the home, the school, and the community that support student success and build a sense of family and community.

PVT and the NHIS PCNC teamed up to distribute lunches to the Nānākuli community.

Preparing Easter baskets for the kids

To celebrate Easter, PVT will provide 1,000 Easter baskets to elementary schools and churches in Nānākuli for distribution to children and families. This year, the Easter Bunny had some assistance from PVT's Rae Plunkett, who was responsible for filling the Easter baskets with various goodies.

PVT's Rae Plunkett shops for Easter basket goodies that will go to Nānākuli-area children.

Support for Ka'ala Farm's Wai'anae Valley Road clean-up

PVT provided 150 lunches from Tamura's Market to those participating in Lā Kōkua Ka'ala, a clean-up of the single lane portion of Wai'anae Valley Road leading to Ka'ala Farm. The March 20th activity was hosted by the interns of the Ka'ala Aloha 'Āina Leadership Academy.

Ka'ala Farm is a cultural learning center for children and a cultural kīpuka, where Hawaiian traditions are practiced daily to strengthen people and communities. It is now working to expand its learning spaces but will need community support. If you'd like to contribute or learn more, visit kaalafarm.org.
