PART II. WASTE CERTIFICATION

1. This waste is not a "Hazardous Waste" as defined by EPA or the State of Hawaii
2. This waste does not contain regulated radioactive materials or regulated concentrations of PCBs (Polychlorinated Biphenyls).
3. The statements and attachments contain true and accurate descriptions of the waste. All relevant information regarding known or suspected hazards in the possession of the undersigned has been disclosed.
4. The analytical data presented herein or attached hereto were derived from testing representative samples taken in accordance with the DOH HEER Technical Guidance Manual.
5. If any changes occur in the character of the waste, the undersigned shall notify a landfill representative immediately.
6. The waste is not generated from a CERCLA site.

I have read and understand the WASTE CERTIFICATION guidelines and certify the information entered onto this form is accurate and true:
